SECRETARY's NOTES

1. The following statement on the Suez problem, dated 10 August, prepared by the Chairman, IAC Ad Hoc Working Group on the Arab-Israeli Situation, has been forwarded to the Secretary, IAC:
  - a. "In line with the request of the Intelligence Advisory Committee (IAC-M-250, paragraph 2b, 2 August 1956), the chairman of the IAC Ad Hoc Working Group on the Arab-Israeli Situation discussed the Suez situation with the several working members of the Group."
  - b. "It was agreed that at this time the Suez situation was characterized primarily by developments of a diplomatic and policy nature and that accordingly a special IAC intelligence reporting effort would probably not be warranted. The chairman suggested to the members of the group that he would be ready to call a meeting whenever any of the members felt changes in the picture might require a review of the IAC request."
2. No objection having been raised by a member, the Secretary has authorized release to USIA of NIE 72-56, "Conditions and Trends in Tropical Africa," 14 August 1956 (IAC-M-252, 14 August, Secretary's Note 3).
